ENACT HB 475 OR SIMILAR LEGISLATION THAT WOULD  
PROHIBIT THE PUBLIC DISCLOSURE OF PERSONAL  
IDENTIFYING INFORMATION OF A WITNESS TO A  
FELONY

**WHEREAS**, it is vital to protect the identity of witnesses in order to help prevent witness intimidation and the chilling effect that occurs as a result of such intimidation; and

**WHEREAS**, in a study conducted by the United States Department of Justice, National Institute of Justice, witness intimidation was identified as a tactic that denies critical evidence to police investigators and prosecutors and undermines the confidence of the community in the government's ability to protect and represent the members of the community; and

**WHEREAS**, witness intimidation is most likely to occur between arrest and trial, according to the National Institute of Justice study; and

**WHEREAS**, the greater the possible penalty for a crime, the greater the desire a defendant may have to engage in witness intimidation, according to the National Gang Center; and

**WHEREAS**, House Bill 475 ("HB 475") has been filed for consideration during the 2016 session of the Florida Legislature by Representative Edwin Narain (D – Tampa); and

**WHEREAS**, HB 475 would exempt from public records requirements personal identifying information of a witness to a felony and would apply the exemption to that witness for a specified period of time; and

**WHEREAS**, this Board recognizes the importance of protecting witnesses and would like to urge the Florida Legislature to enact HB 475 or similar legislation that would prohibit the public disclosure of personal identifying information of an individual who witnesses a felony,
